My friend

John Swift according to the Court
order I sought the records about Conways
operation & return & bond & find the
Court's ~~order~~ ^{order} is grounded on a wrong
report no operation can issue to do the
widoiw any kindness witz out shew by law
can recover one for the bond & dollars it
self to be the efforts of Philip Conway
owned by mark Buttrick & by him
& private since pt to answer the severall
judgments as sure therefore if she has a bond
agt. Conway it is like that must make her
whole or I know not what will
I have then some records & pass from
Jos: Woods of the management of Court affairs
before this last Commission I find that
both of & diversity of persons are wronged
& abused by the records not only order
but judgments omitted abuses done to the
minutes wch I desire thee not only for
thy reputation but for the discharge of
good Conscience to rectifye all I shall
as well as others have just cause to
complaine & chiefly to thee I shall
to thee for redress because I know there
chiefly managed things sure my that comm
with love I am thy friend P P

if these will take on especially if I come over I shall
argue with the Court & will be all I have to say for my friends
